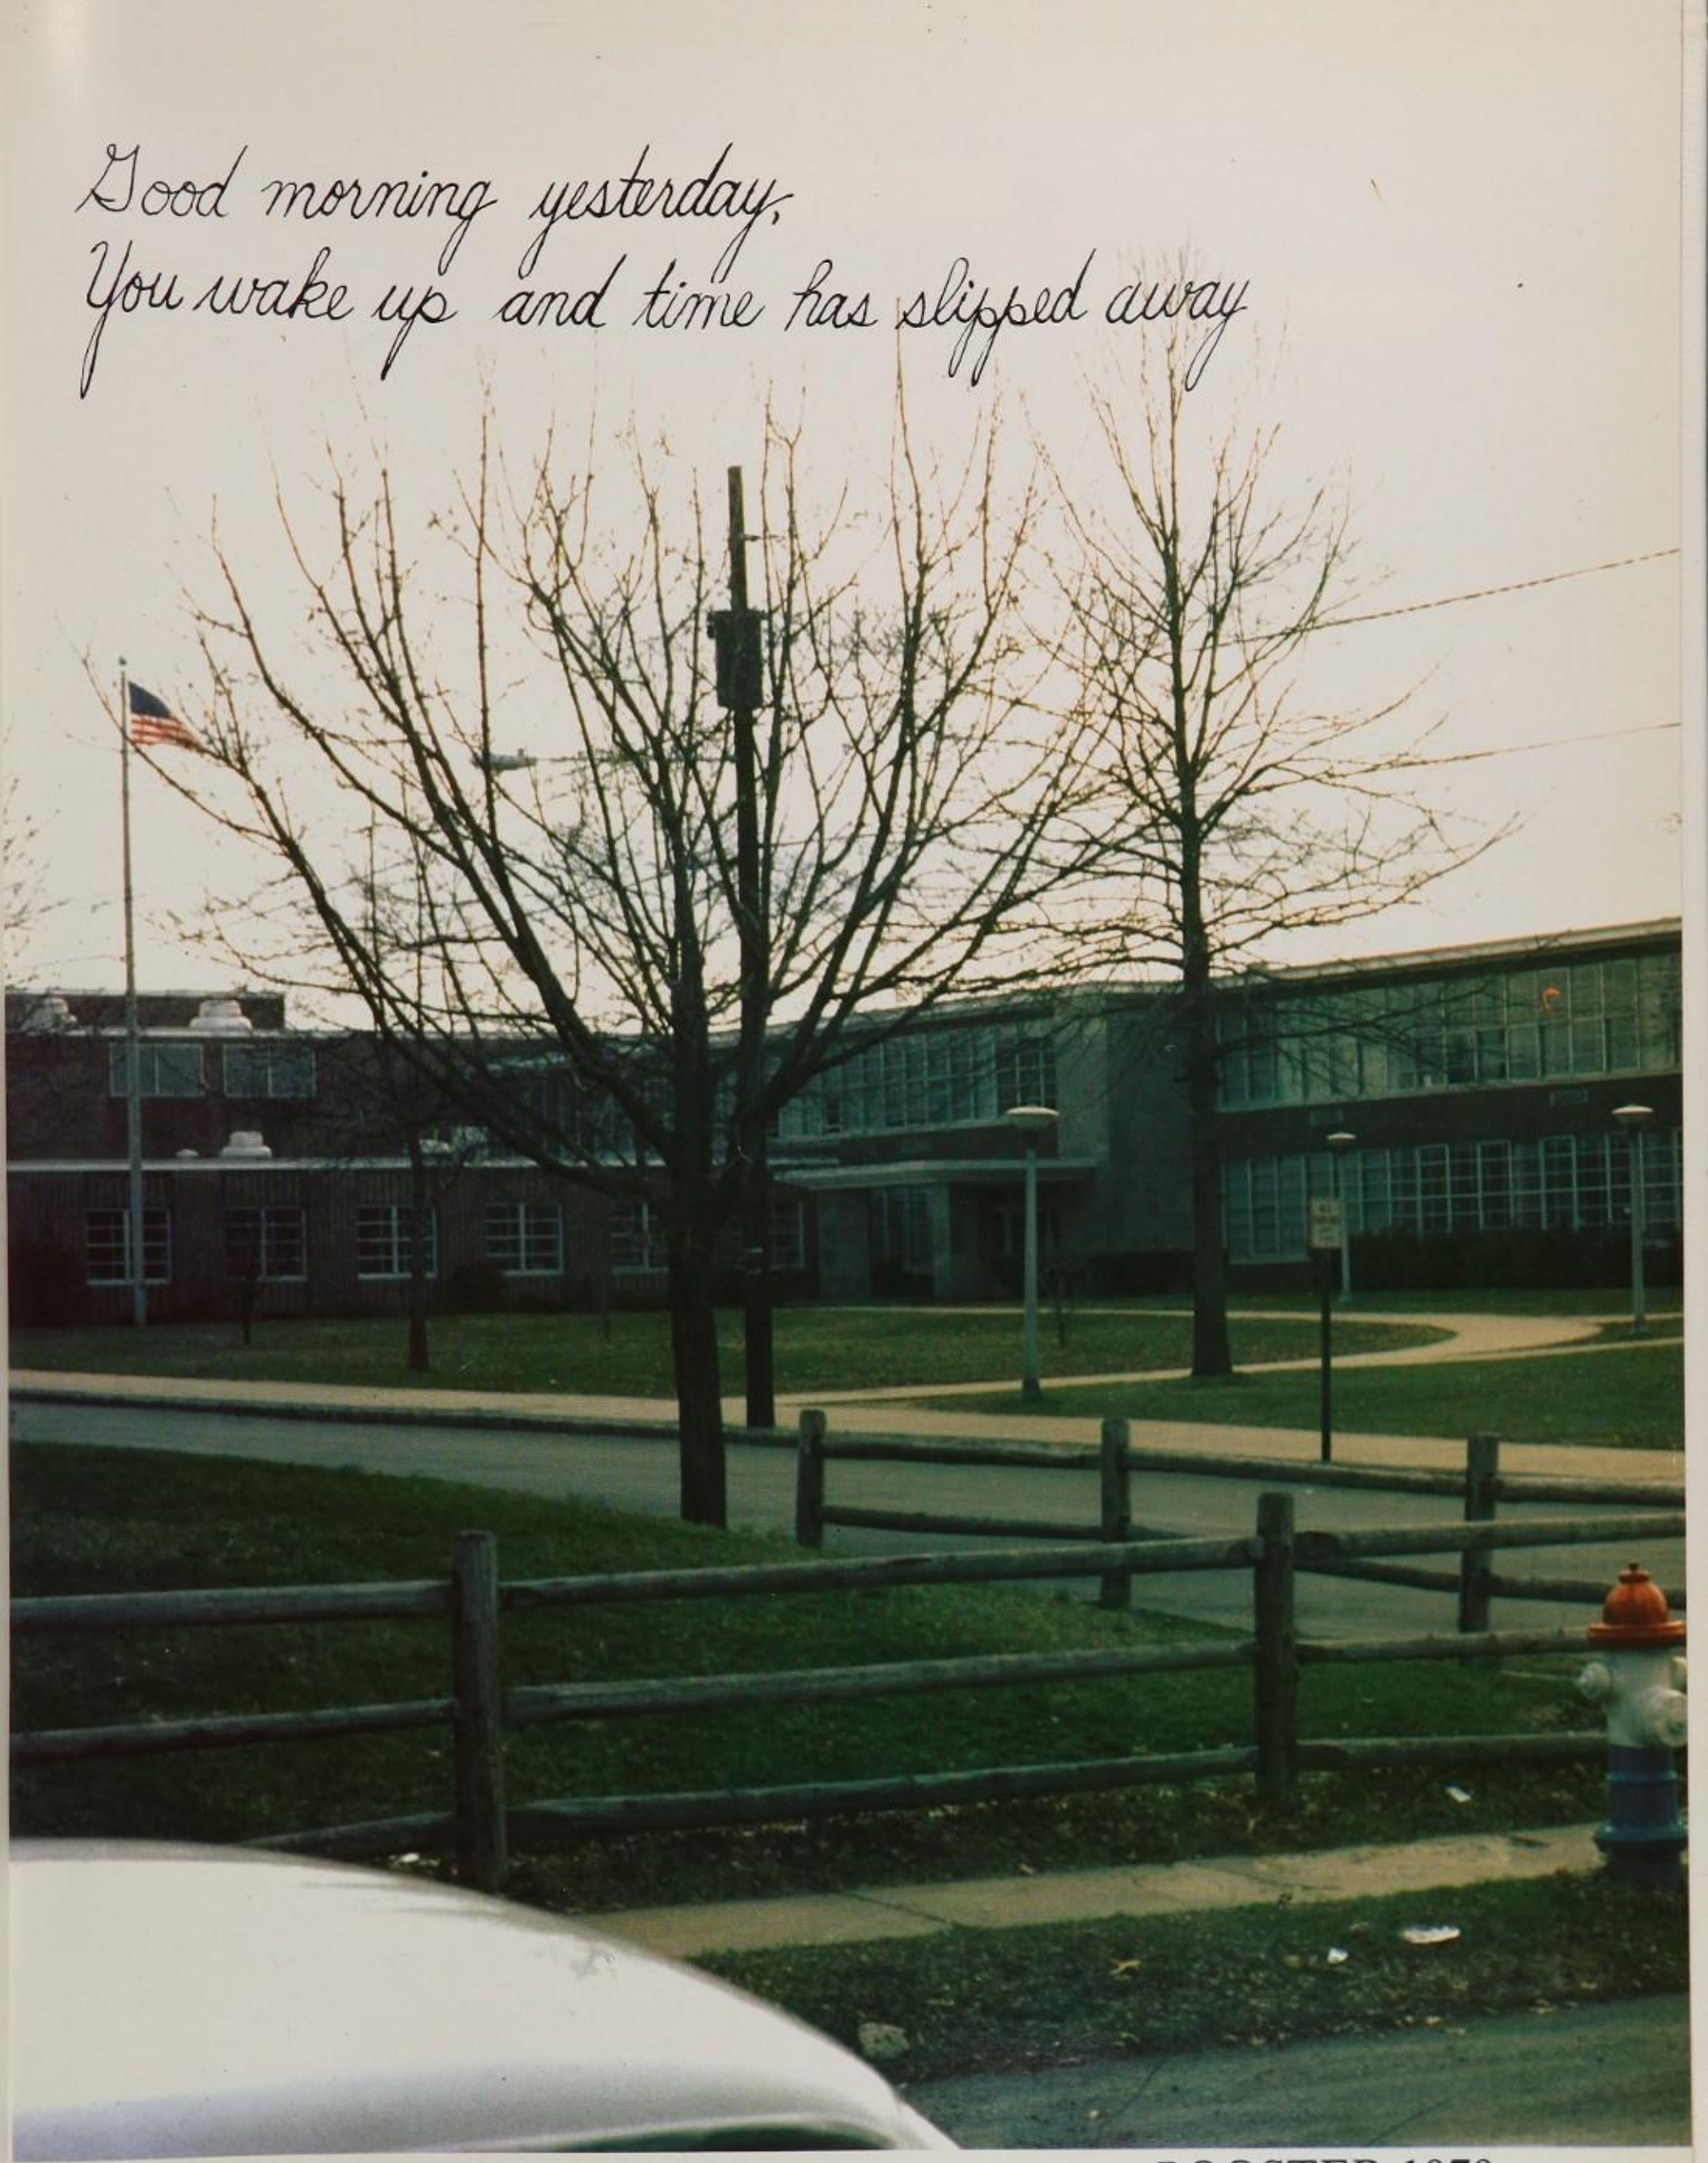
Good morning yesterday,
You wake up and time has slipped away



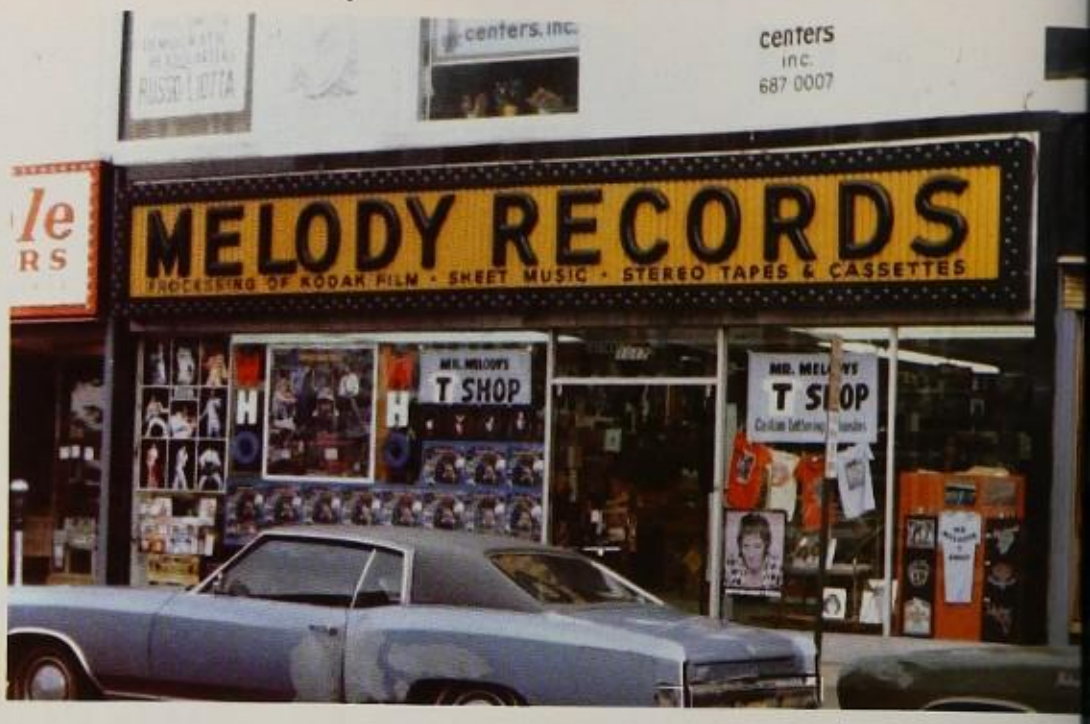
BOOSTER 1979
Union, New Jersey 07083

Union High School

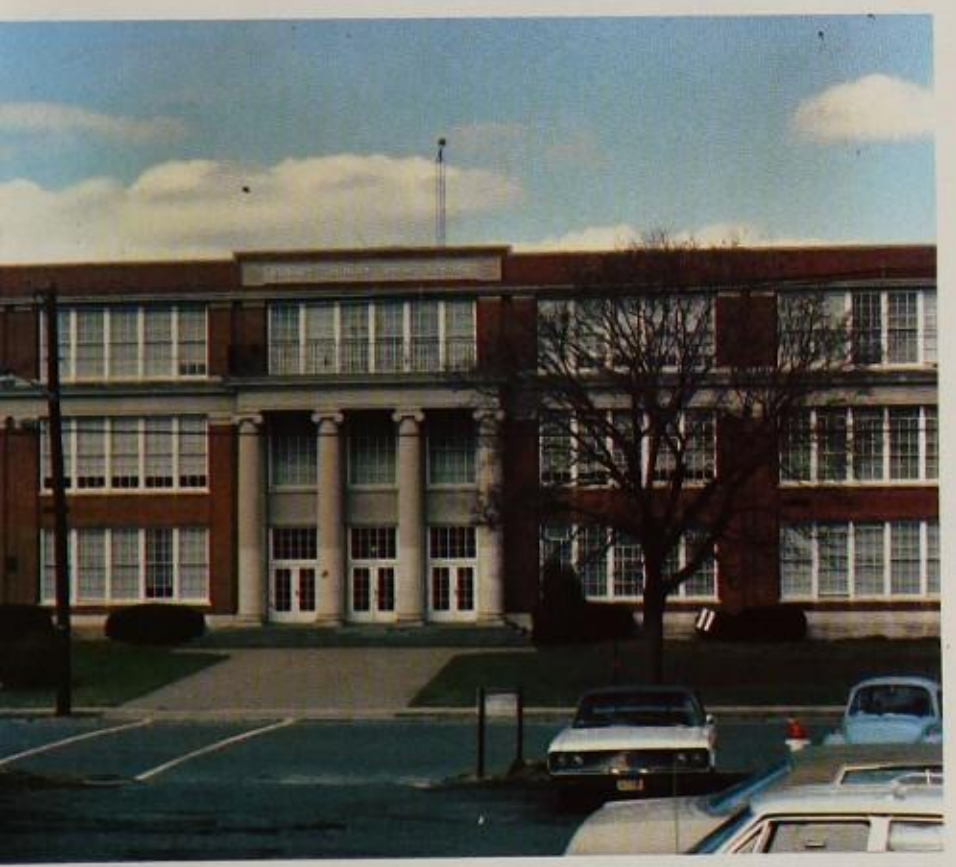
And suddenly it's hard to find
The memories you left behind

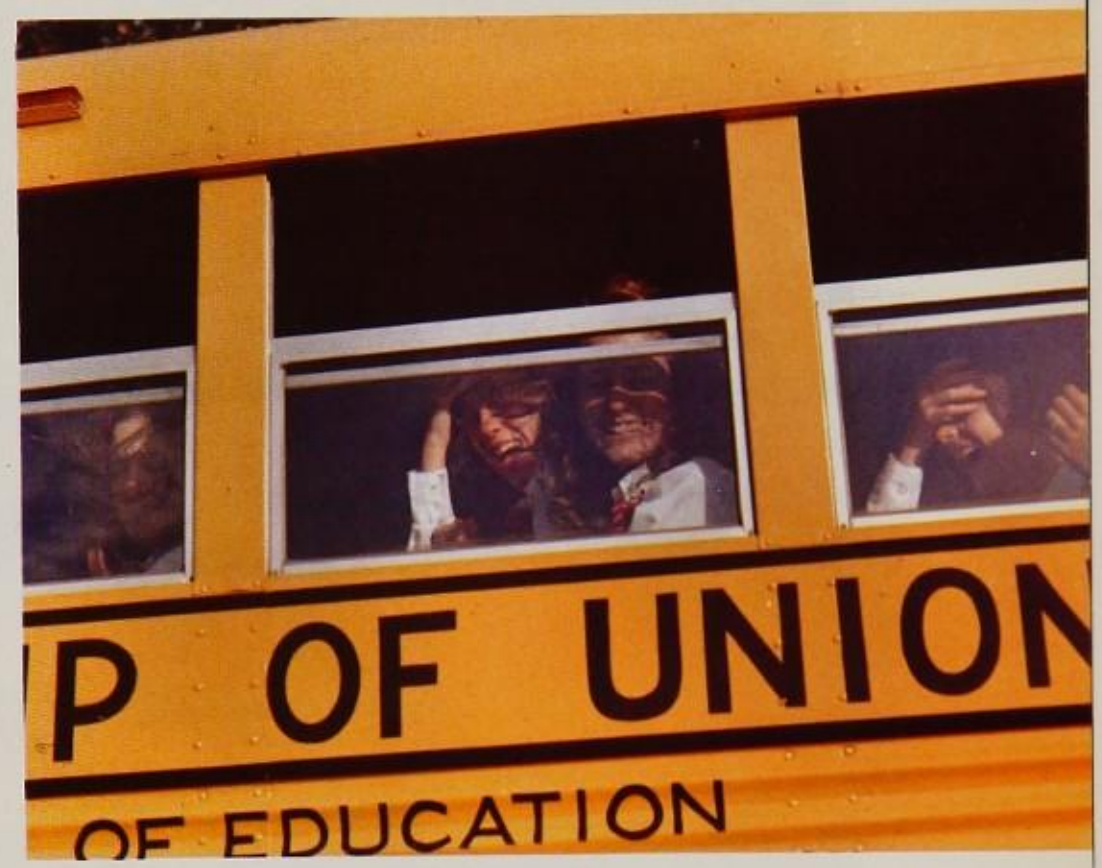
Remeber, do you remember

The laughter and the tears



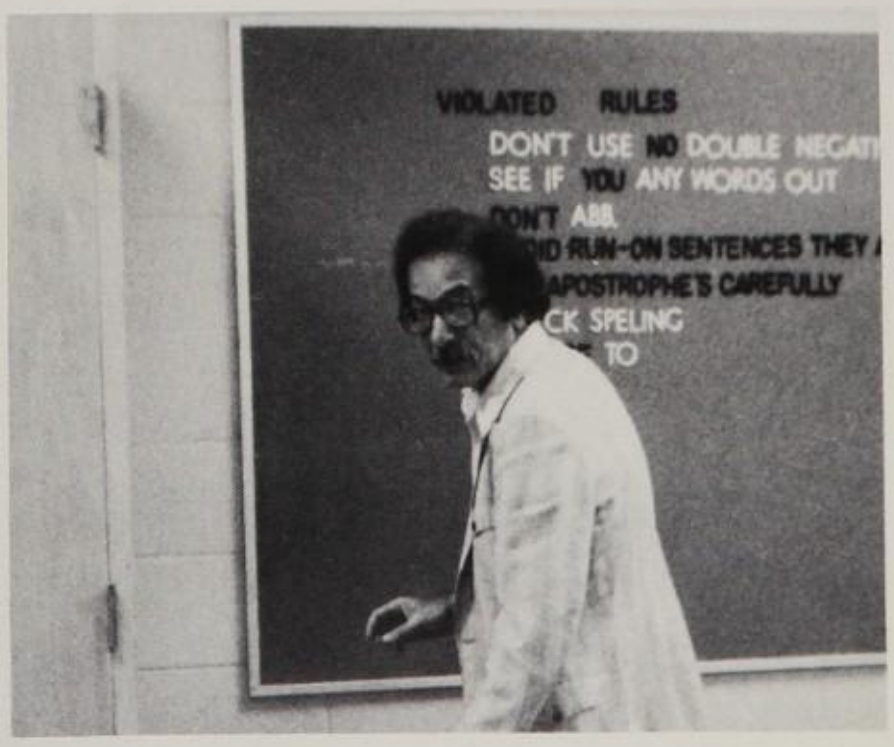
The shadows of misty yesteryears?



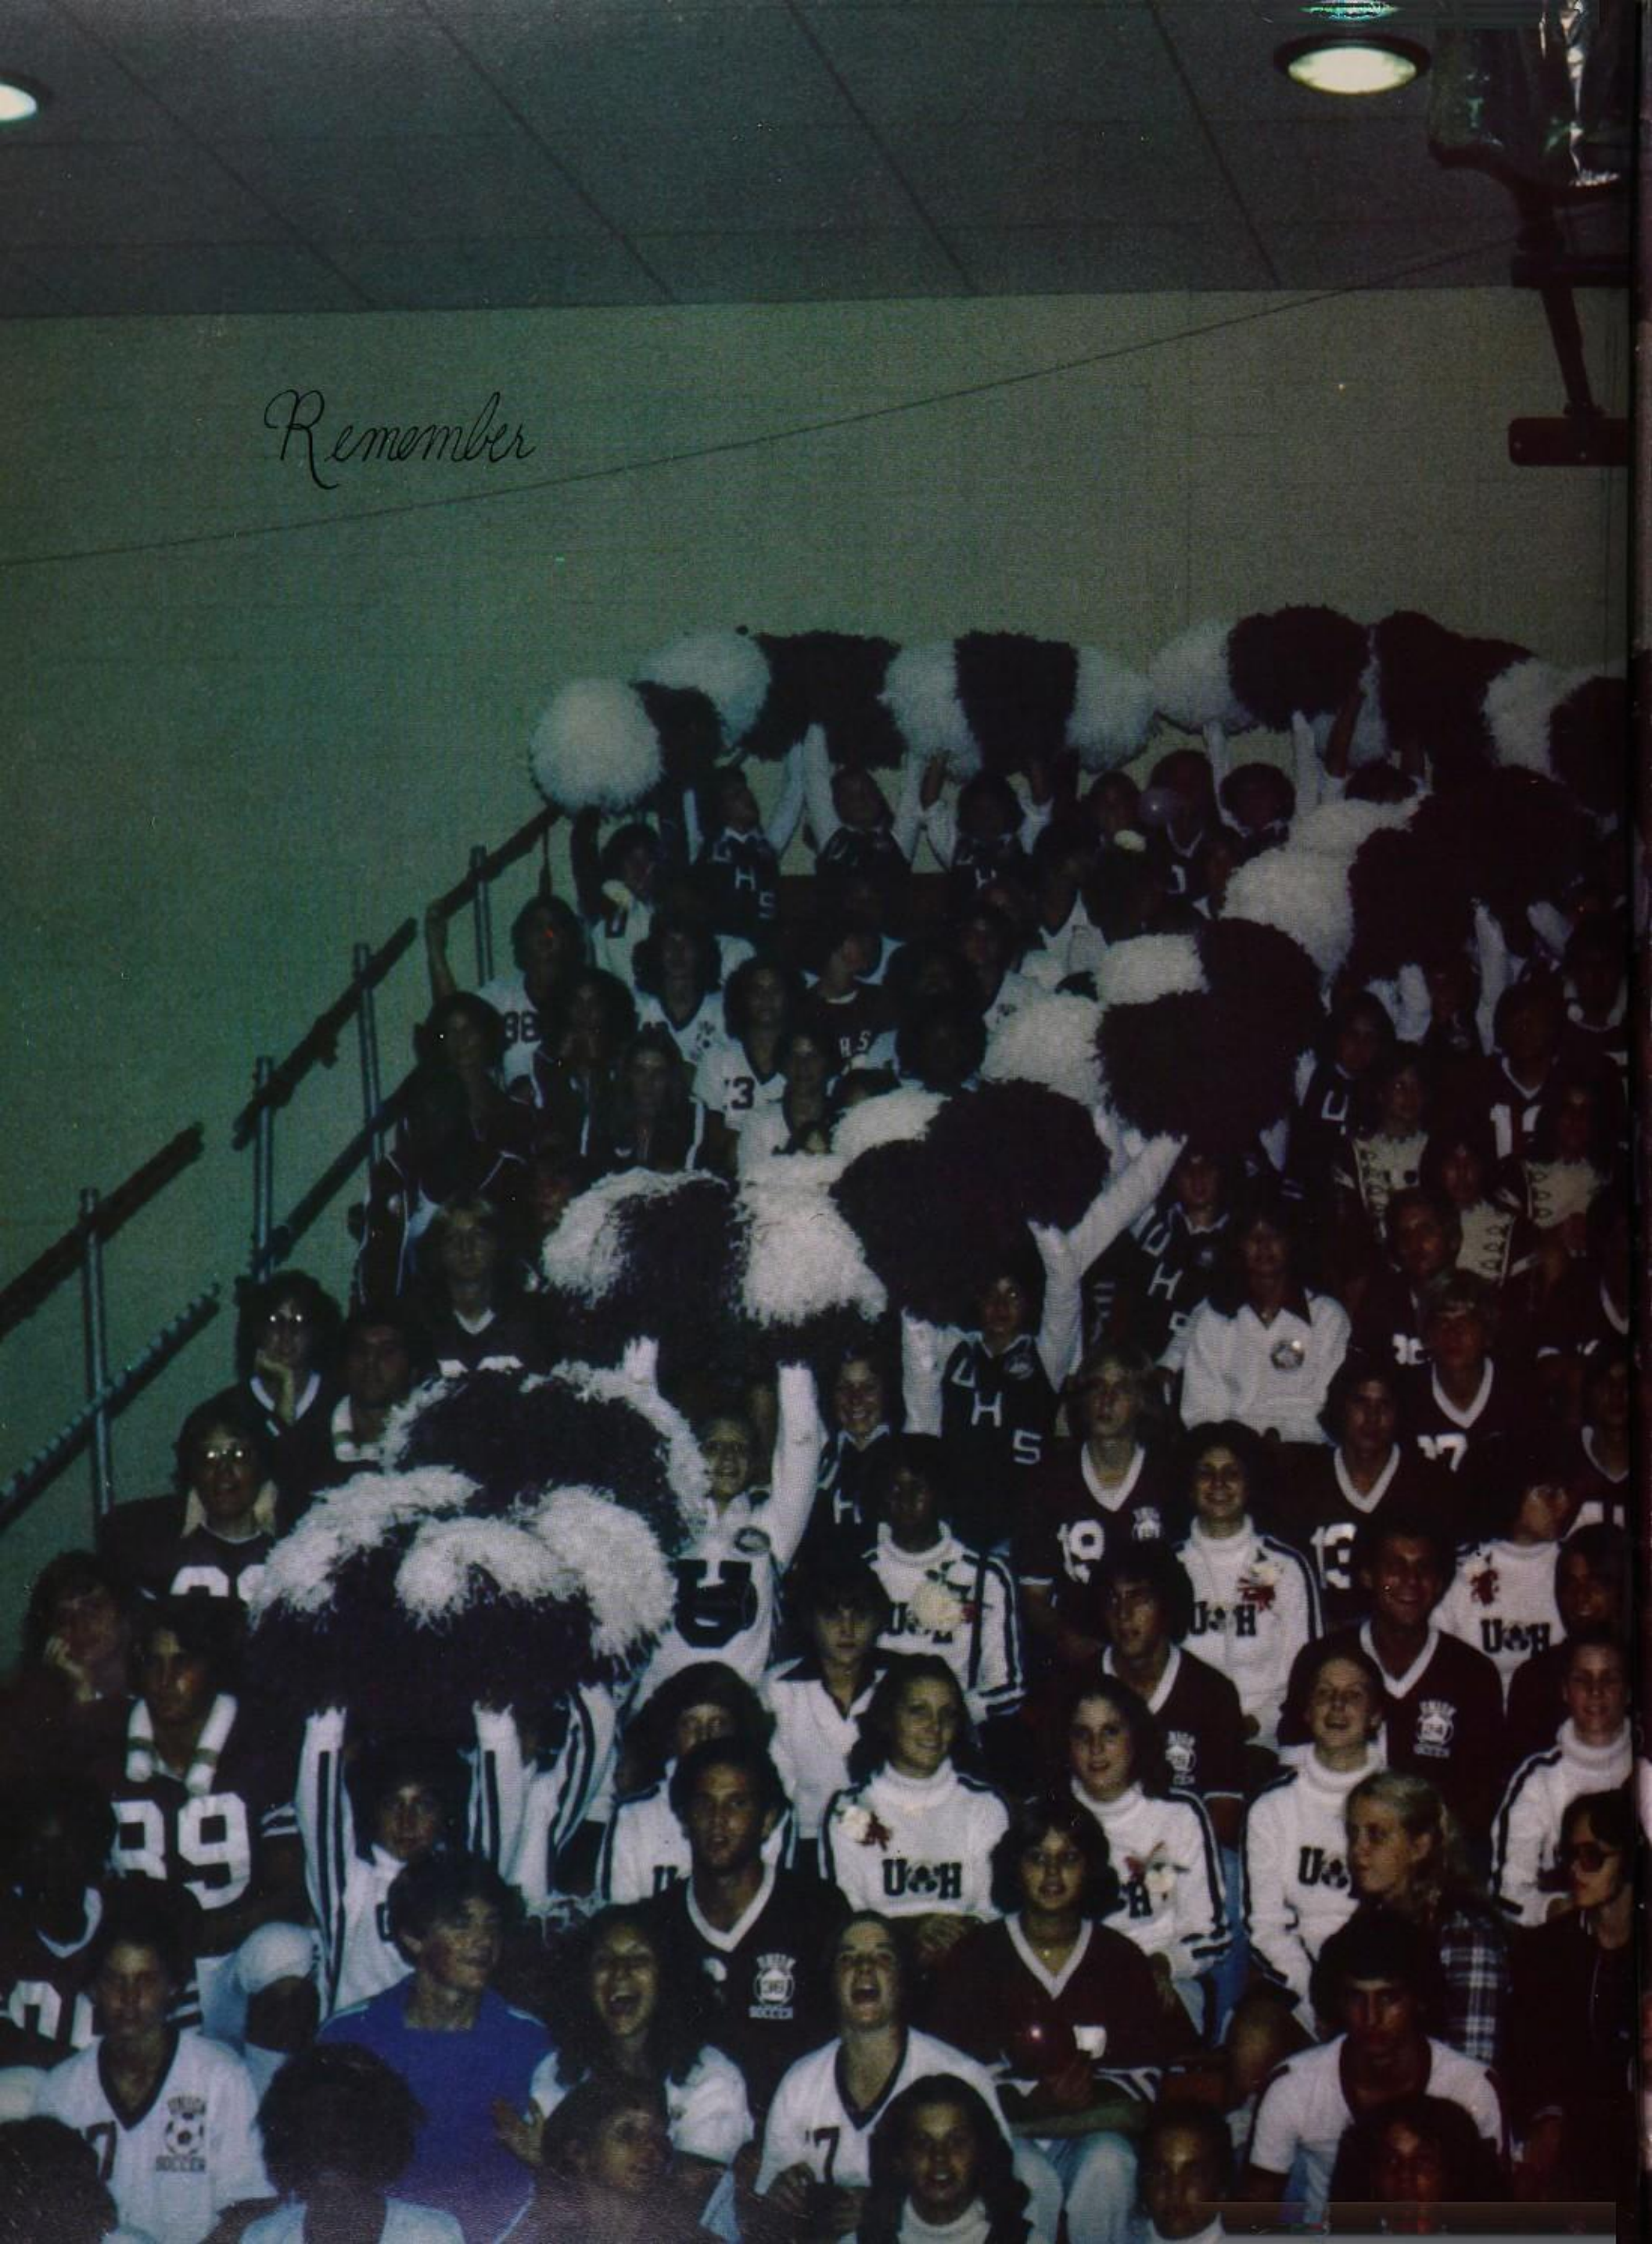


The good times and the bad you've seen

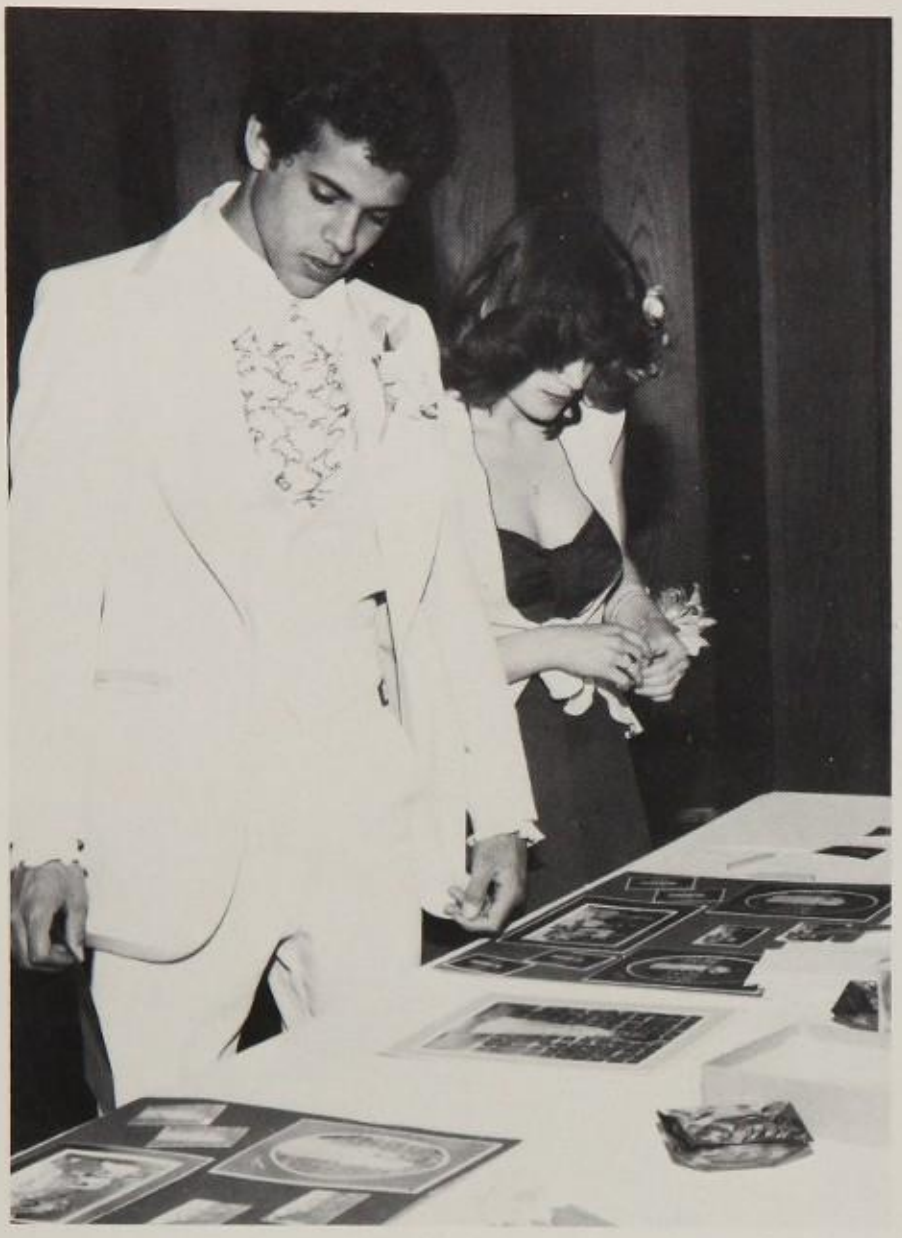
And all the others in between

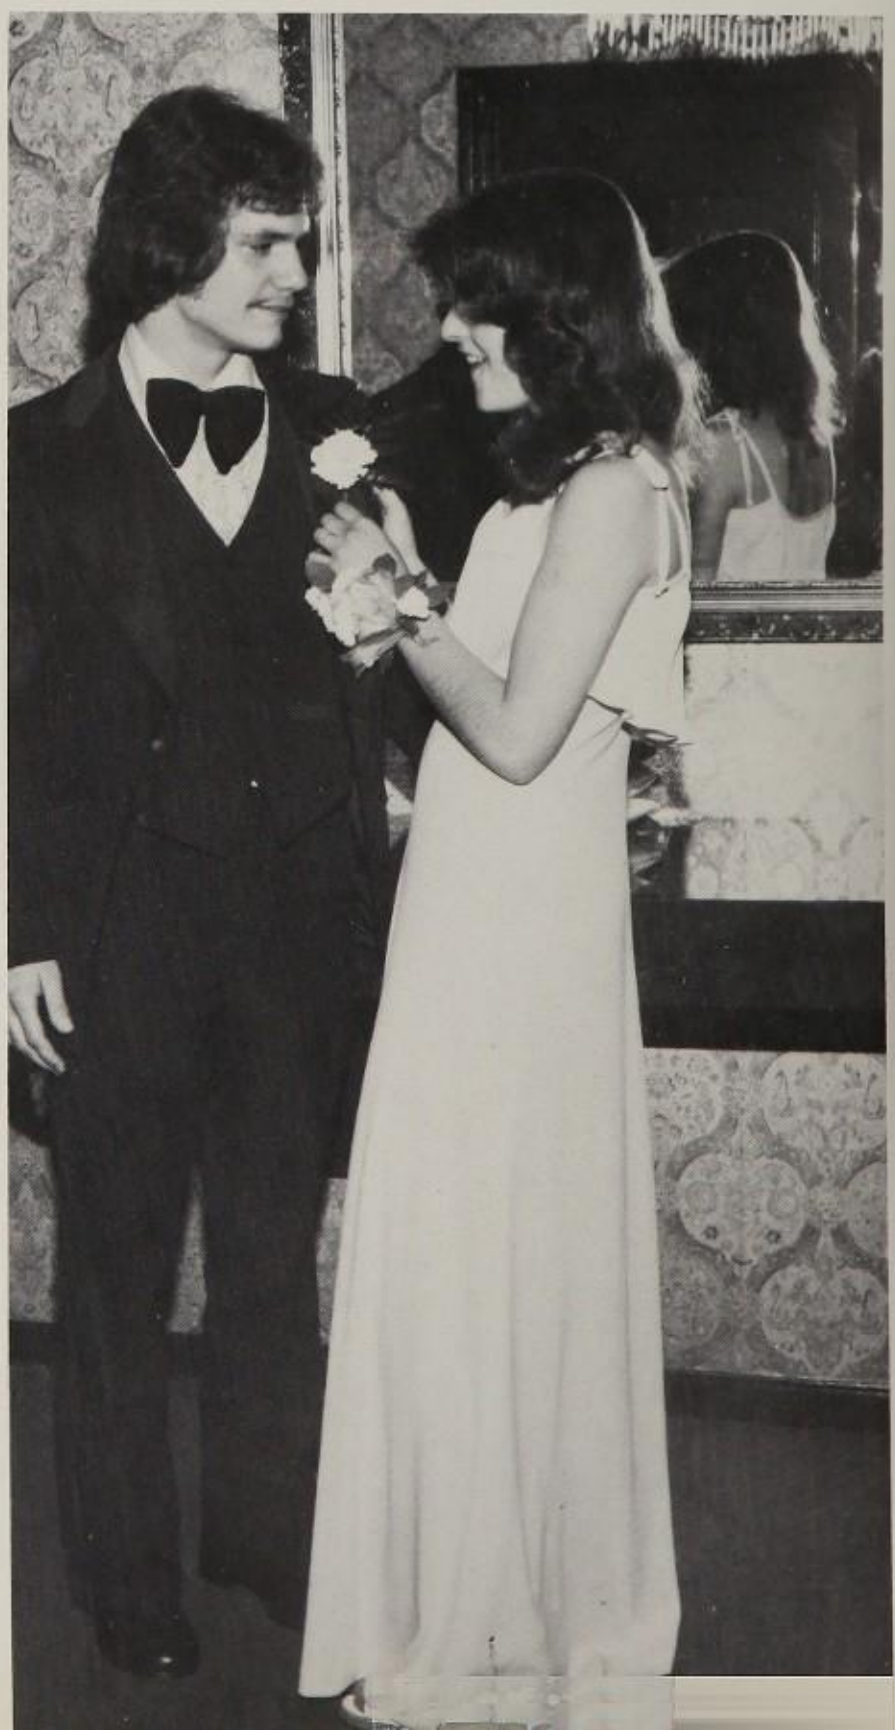


Remember



LET'S
GO
UNION
33
6
UNION

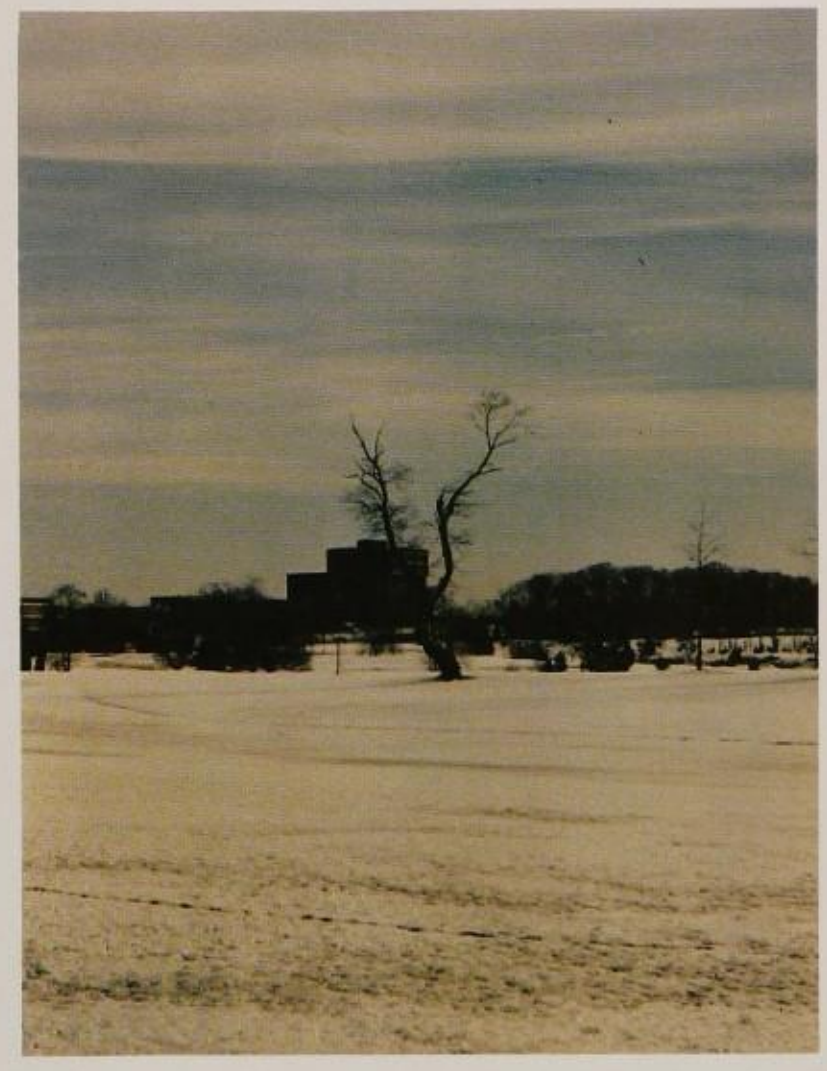


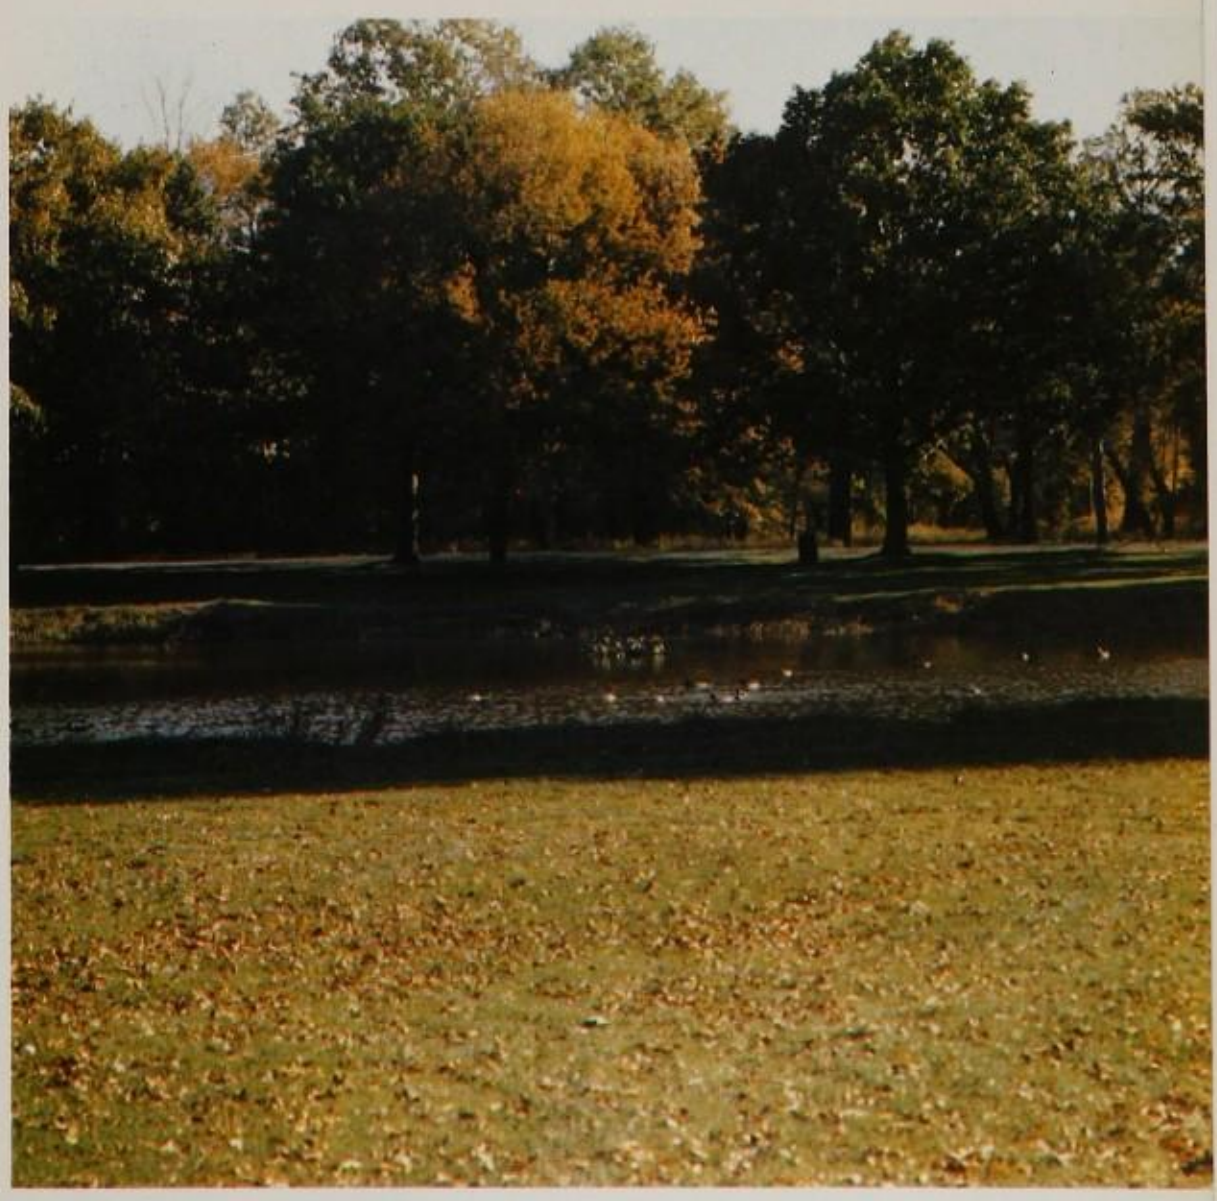


Reach back for the joy and the sorrow,
Put them away in your mind,

Here comes the setting sun,

The seasons are passing one by one





So gather moments while you may.

Collect the dreams you dream today

Remember,
Will you remember the times of your life?

Fancy Footwork Brings

The UHS soccer team ended its best year ever with a 18-2-3 record. The team, coached by Mr. Jeskey, attested its strength by winning the Union County Tournament, the Watchung Conference for the third straight year, and by reaching the finals of the state sectionals where they were defeated 1-0 by Columbia.

Tri-captains were Jim Pinney, John Baglivo, and Kevin Vreeland. Offense was led by high scorer Wally Egnatuck, John Poepoe, all-county left wing Vic Simko, Bob Belfer, Angelo Pallita, Antonio Ribiero, and all-state Jimmy Pinney. Senior substitutes were Ken Pescatore, Mark Wiener, Tom Shannon, and Jeff Socolow. Defense included John Baglivo, Rick Emmel, Tim Ziegler, Ed Riess and Kevinn Vreeland, goalie, who tallied 12 shutouts.

The team set many school records: 10 consecutive wins, 16 games in a row without a loss, 18 wins in a season, and 12 shutouts in a season. The team tallied impressive victories against Harrison and Kearney, and Linden in the Union County Championship Final. The team reflected the strength of the UHS soccer program which is sure to remain strong for years to come.

Slack's Soccer Keeps the Ball Rolling

The Union High School Girls' Varsity Soccer team ended its sixth season with a 6-9-1 record. Leading the scorers were the tri-captains Nancy Levy with a team record of 12 goals and 2 assists, Toni Ciesielski with 4 goals and 5 assists, and Jackie Wright with 3 goals and 2 assists. Farmers Plow to State

The Farmers began the season with high expectations and many returning players. The optimism appeared to be well founded when they pulled off an opening day upset of the Central Jersey Group 4 Champions, North Edison. However, the second game caused some—worry when the Farmers, playing with injuries, were upset by Westfield.

This upset caused the Farmers to play the rest of the season with the realization that another loss could possibly eliminate them from a berth in the State Championship playoffs. Union finished the season with nine straight victories, including those over state powers such as Montclair and Barringer and the climatic championship game with Plainfield.

The standout players for Coach Rettino were Dom Lorusso, Barry Amatucci, Ed Galisewski, Dave D'Addio and Tony Imbriaco. There were many noteworthy achievements by others who played a major role in the success of the squad. The 1978-79 season will long be remembered with pride and happiness.

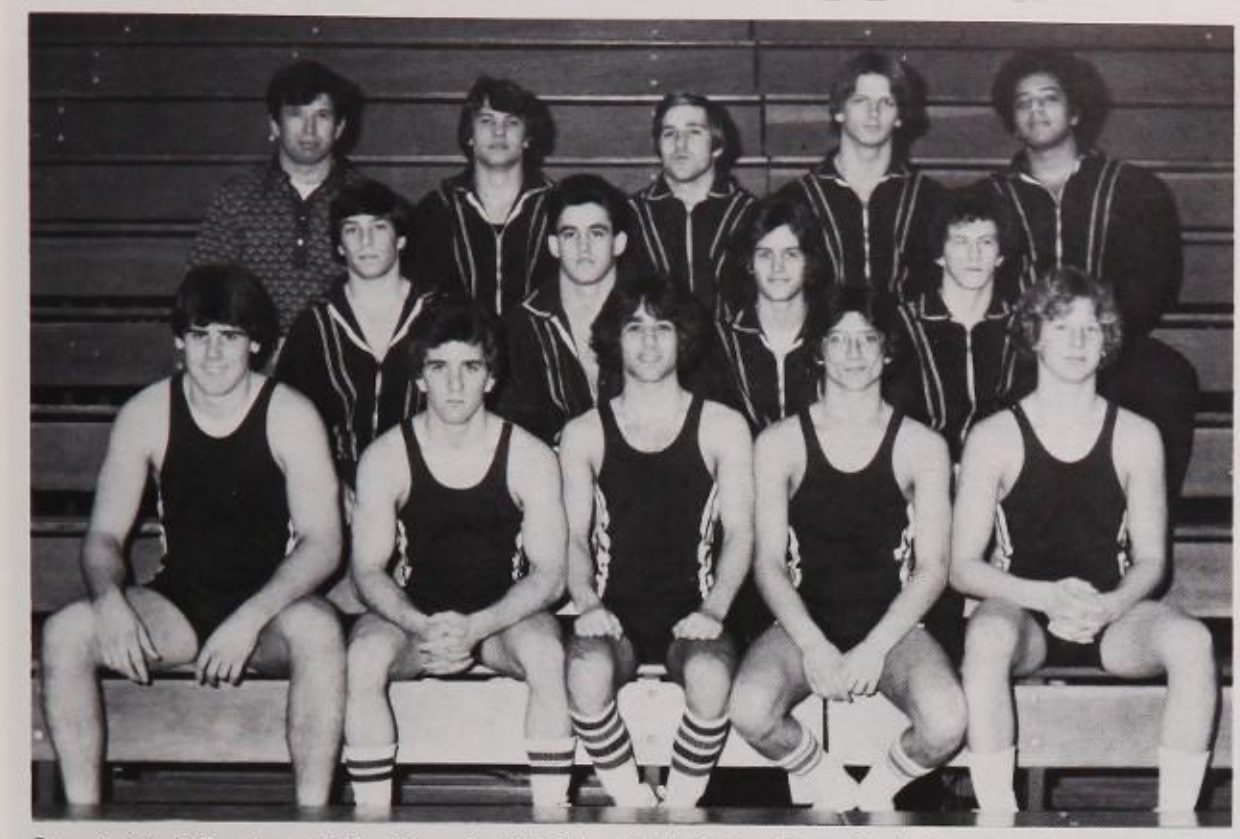
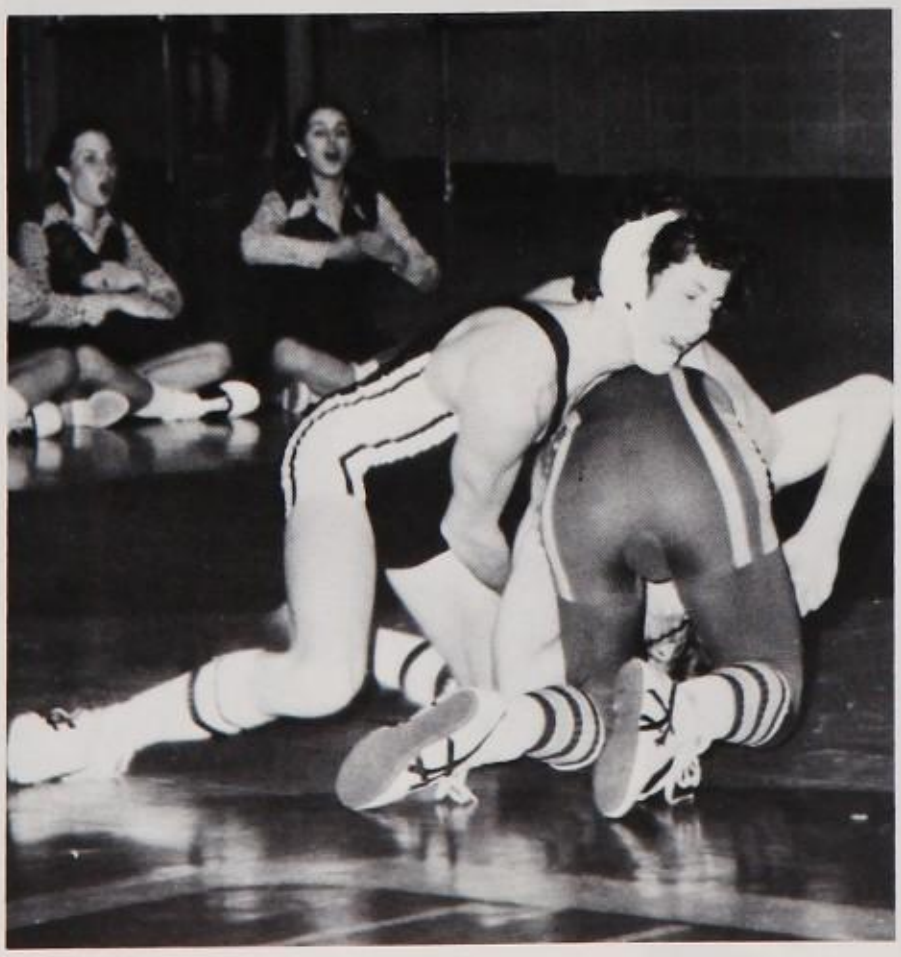
Union won the Union County Tournament by beating 22 teams. Union scored a total of 2735 pins, which was 119 pins more than the second place team. Team members and scores were Glenn Nicol-575, Jerry Veglia-572, Marty Loughney-548, Bob Kroschinski-532, and Mary Ellen Famula-509.

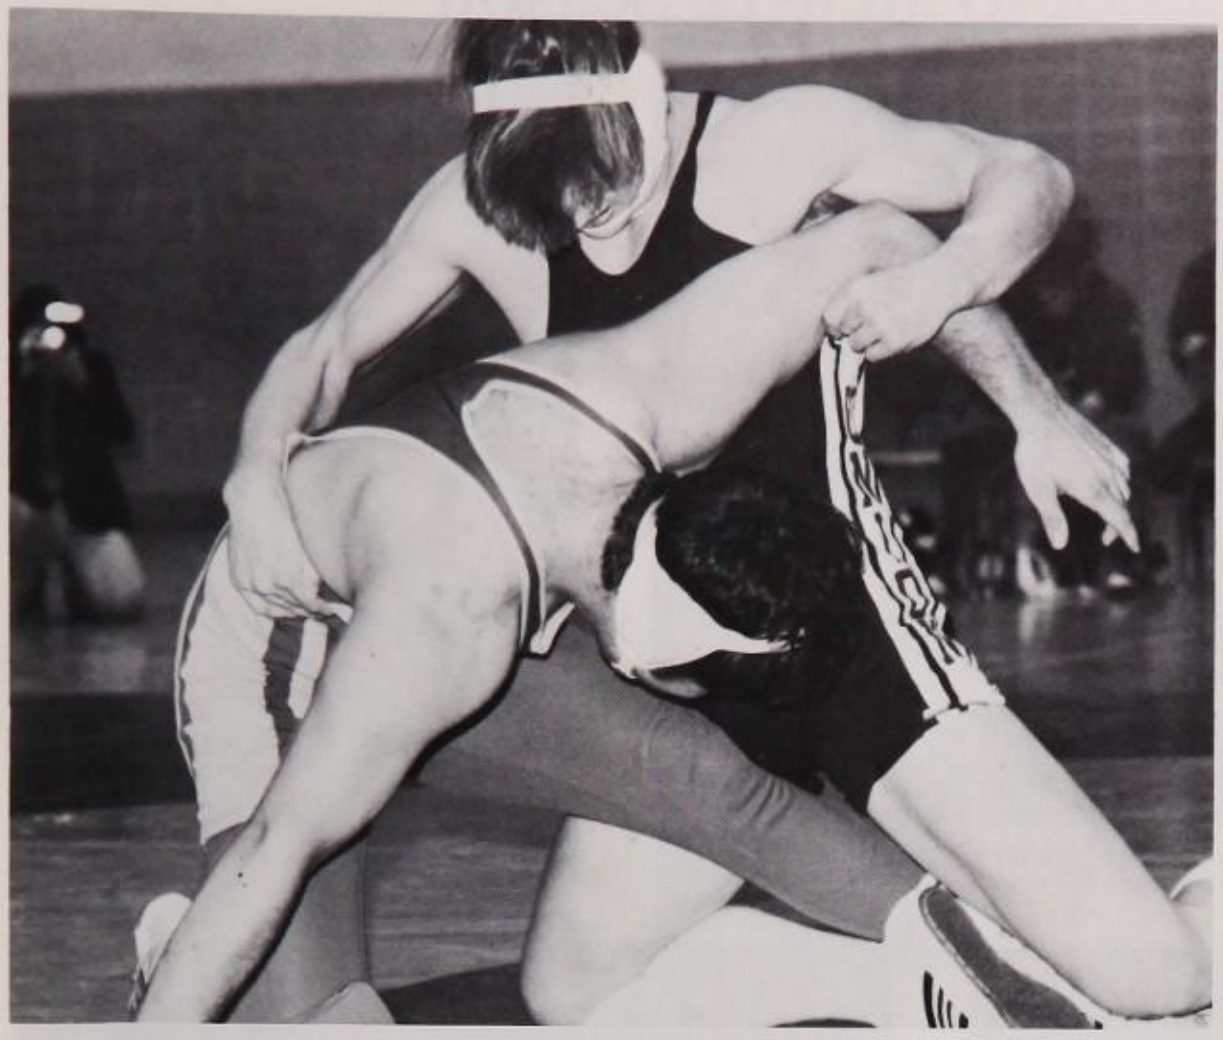
Union finished in 6th place in the 37 team district "B" qualifying round where only the top four teams went to the finals of the New Jersey State Tournament.

Matmen Grapple to a .500 Season



Row 1: Mark Gruchacz, Mike Himpele, Phil Salge, Rich Cohen, Steve Kunh. Row 2: John Arminio, Jim O'Neill, Steve Edwards, Joe Crisafi. Row 3: Coach Al Lilley, Drew Bauman, Ed Reiss, Doug Martin, Dan Sadares.





This year the Union High Wrestling Team had a fairly good season, with many exciting meets and some disappointingly close losses. The team overcame many difficulties, such as injuries and the fact that there were only three seniors on varsity, to finish with a record of 6-6. We placed 3rd in both the Union County Tournament and the Seton Hall Tournament. In the district competitions we also placed 3rd. Outstanding wrestlers included junior Doug Martin with 10 pins, Philip Salge, a senior with 20 takedowns, and Rich Cohen, most-improved, finishing with a record of 9-6. Co-captains Michael Himpele and Ed Reiss both placed 2nd in the Districts, qualifying for the State Tournaments where they wrestled with the 16 best wrestlers of New Jersey in their respective weight classes.

Girls Shoot to an 8-12 Season

Idelle Feltman, Jean Zaleckas, Sue Laga, Sue Ring, Jean Mangum, Yolanda Williams, Coach De Stephan, Jackie Hayes, Ginny Barry, Gwen Jackson, Mary Alexander, Ann Shannon.

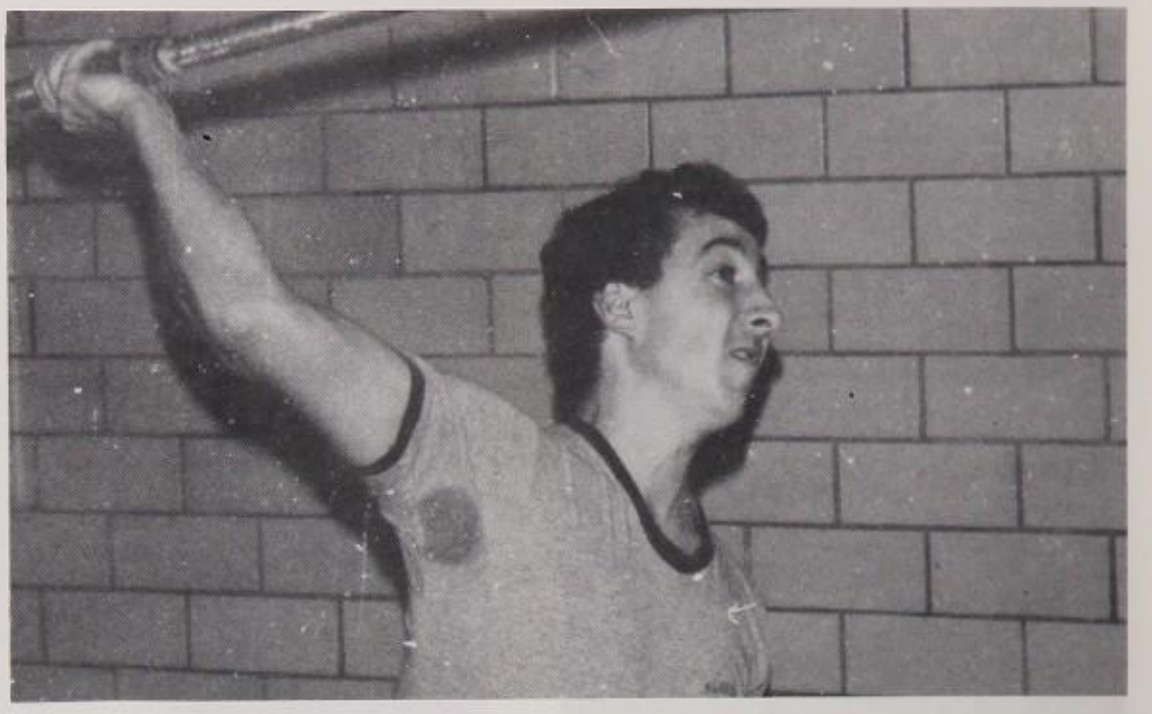
This was the third year of the Girls' Varsity Basketball team in UHS. With much hard work and dedication and the help of their new coach, Mr. DeStephan, the girls improved their record 50% over last year's record. They ended their season at 8-12. Gwen Jackson led the team in points 310, shooting 38% from the floor. Co-captain Yolanda Williams tossed in 244 points and led the team in rebounds with 249. The third senior starter was Ginny Barry, who had 241 points and had a team high of 63 assists.

Juniors Ann Shannon and Jackie Hayes also were starters. In her first year of playing, Jackie scored 90 points and was second in rebounding with 137. Ann, the team's playmaker, added 56 points and 53 assists.

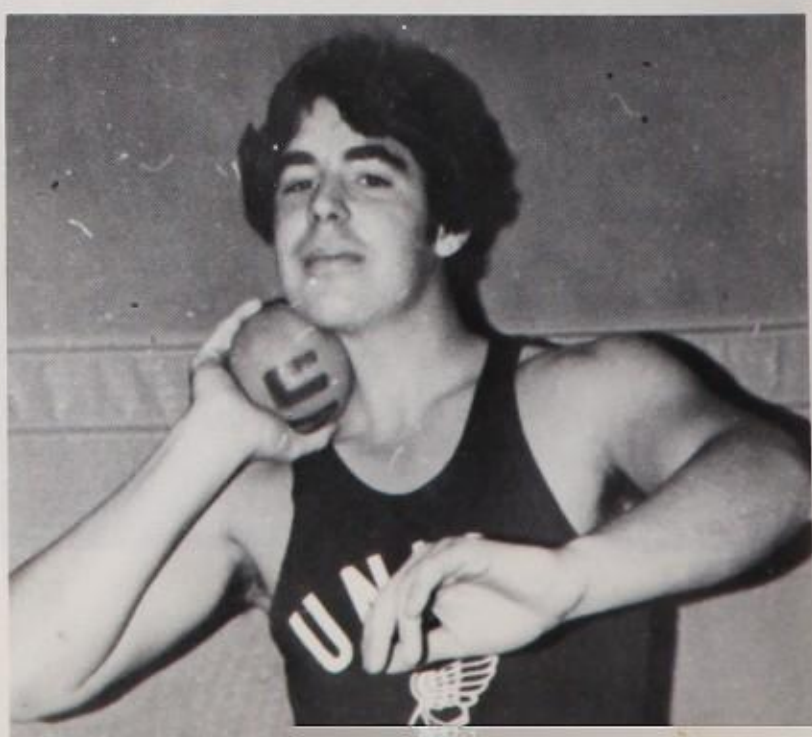
Along with Ann and Jackie, Mary Alexander, Jean Mangum, Sue Ring, and Idelle Feltman will all be returning and coach De Stephan is looking forward to another strong season.

Indoor Track

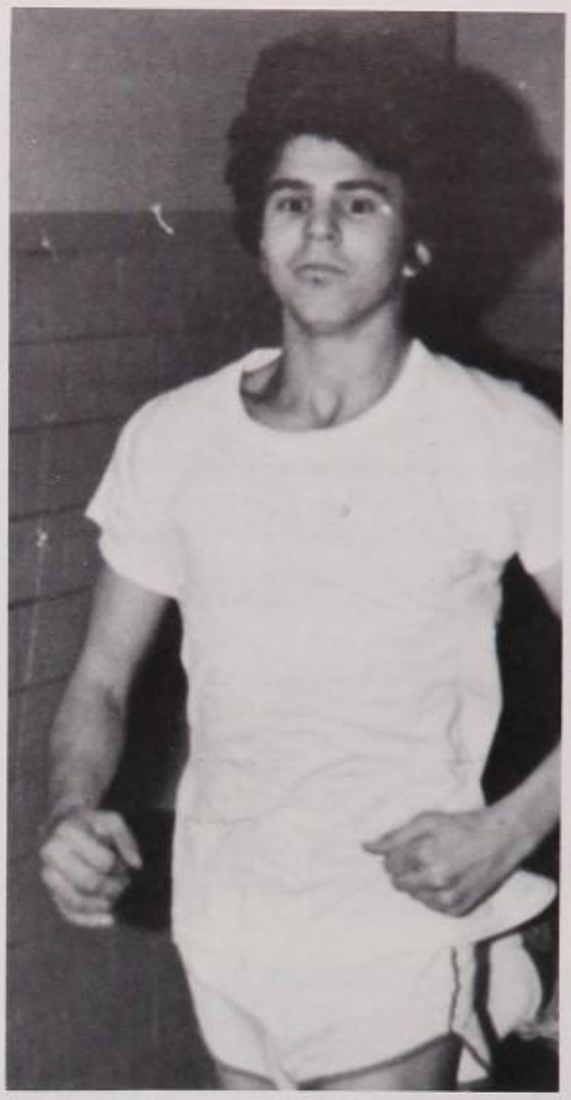
The Indoor Track Team had a large amount of participation this year, with almost 70 participating members. Many awards, medals and letters were awarded. Steve Parvin, a sophomore set an indoor track record in the 880 yard run. His time was 5:16.0. Wanza Delaney, a junior, set a record in the 60 yeard dash. Her time was 0:07.5. In the 880 yard relay, W. Delaney, L. Austin, G. Kleissler, and K. Brechtlein set a record time of 1:59.1. Tim Ghuzzi earned 34 points, the highest total of points earned in competition of the team.

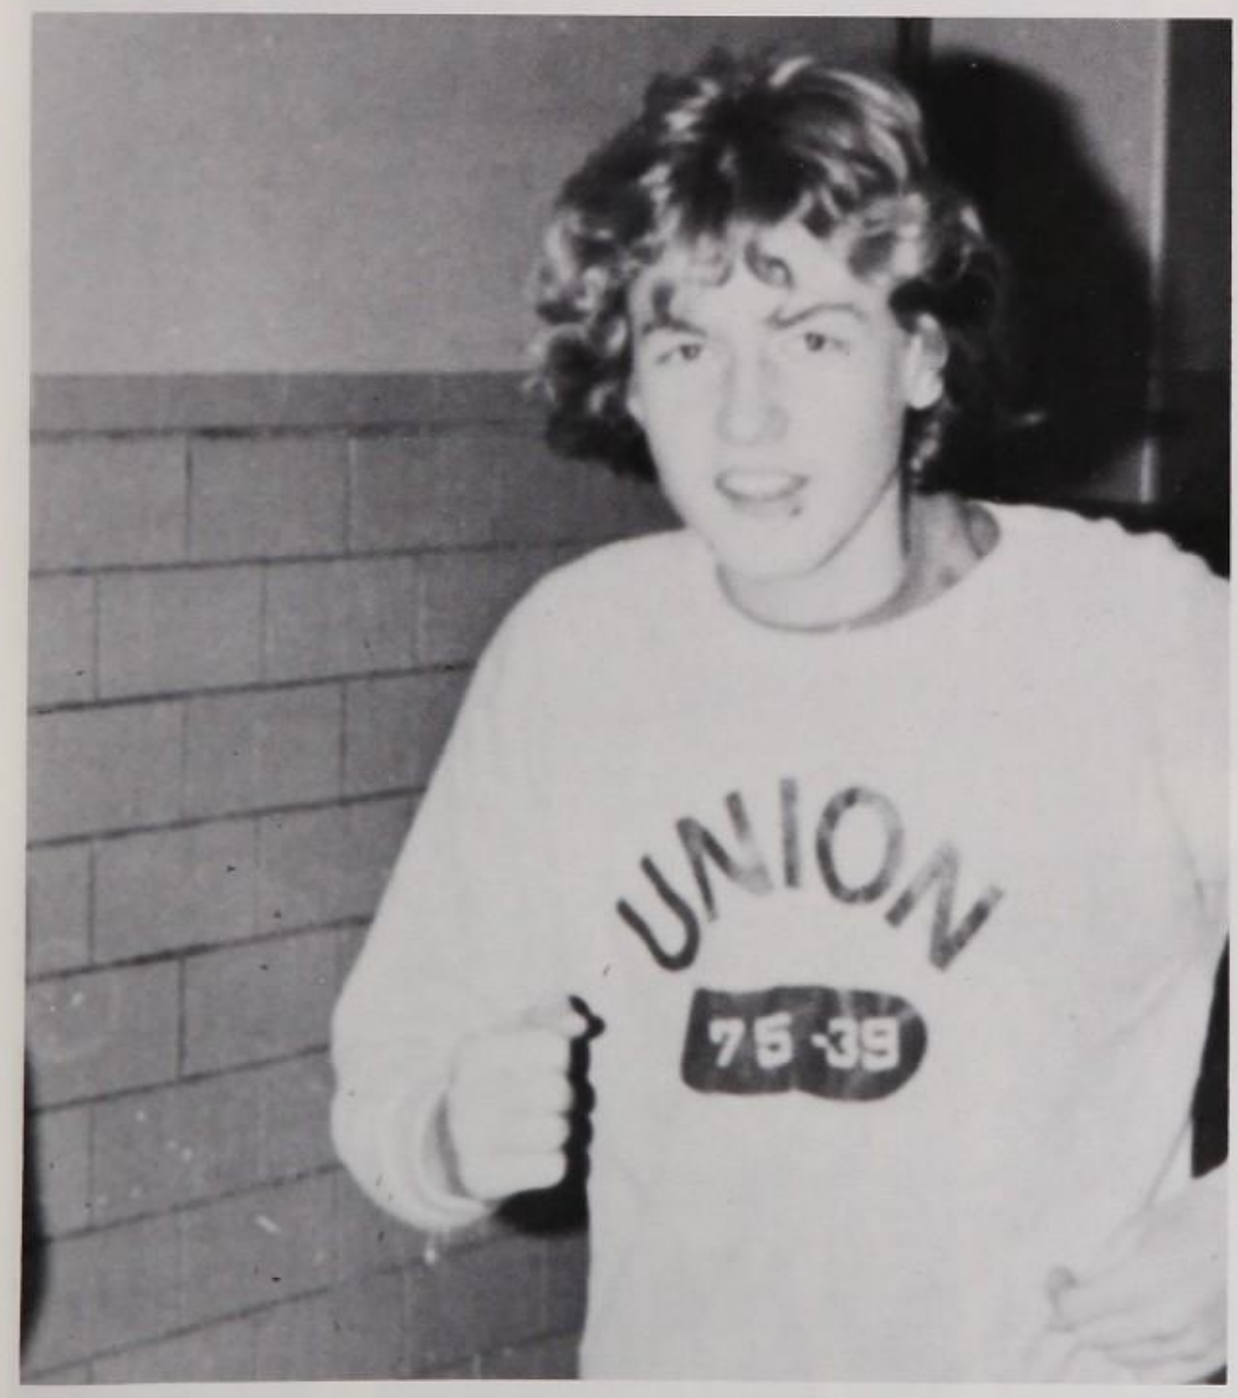


Front row (left to right): Fred Schroeder, Carlos Mosquera, Vinnie Schweikert, Brian Marx, Steve Parvin, Robert McGeorge, George Creekmur, Steve Hayes, Kevin Armstrong, Mike Mayer. 3rd row: Joseph Suarez, Henry Phifer, Gary Anderson, Tim Ghuzzi, Mike Andrews, Linda Austin, Andy Nadzan, John Cook, Mark Trenkler. 3rd row: Mike Spekhardt, Tony Sabb, Tom Rojy, Ed Glasser, Joe Laga, Tonya Scott, Shannon Kelly, Gretchen Kleissler. 4th row: Sal Verdarame, Patty Adams, John Foster, Scott Sobka, Chris Dillon, Richard Dukes. 5th row: Christal Lusk, Shelly Congleton, Heidi Schwaemmle, Peggy Maggoirie, Kathy Brechtlein, James Roselle, Eugene Osti, Shurland Rodney.



Marks a Good Season



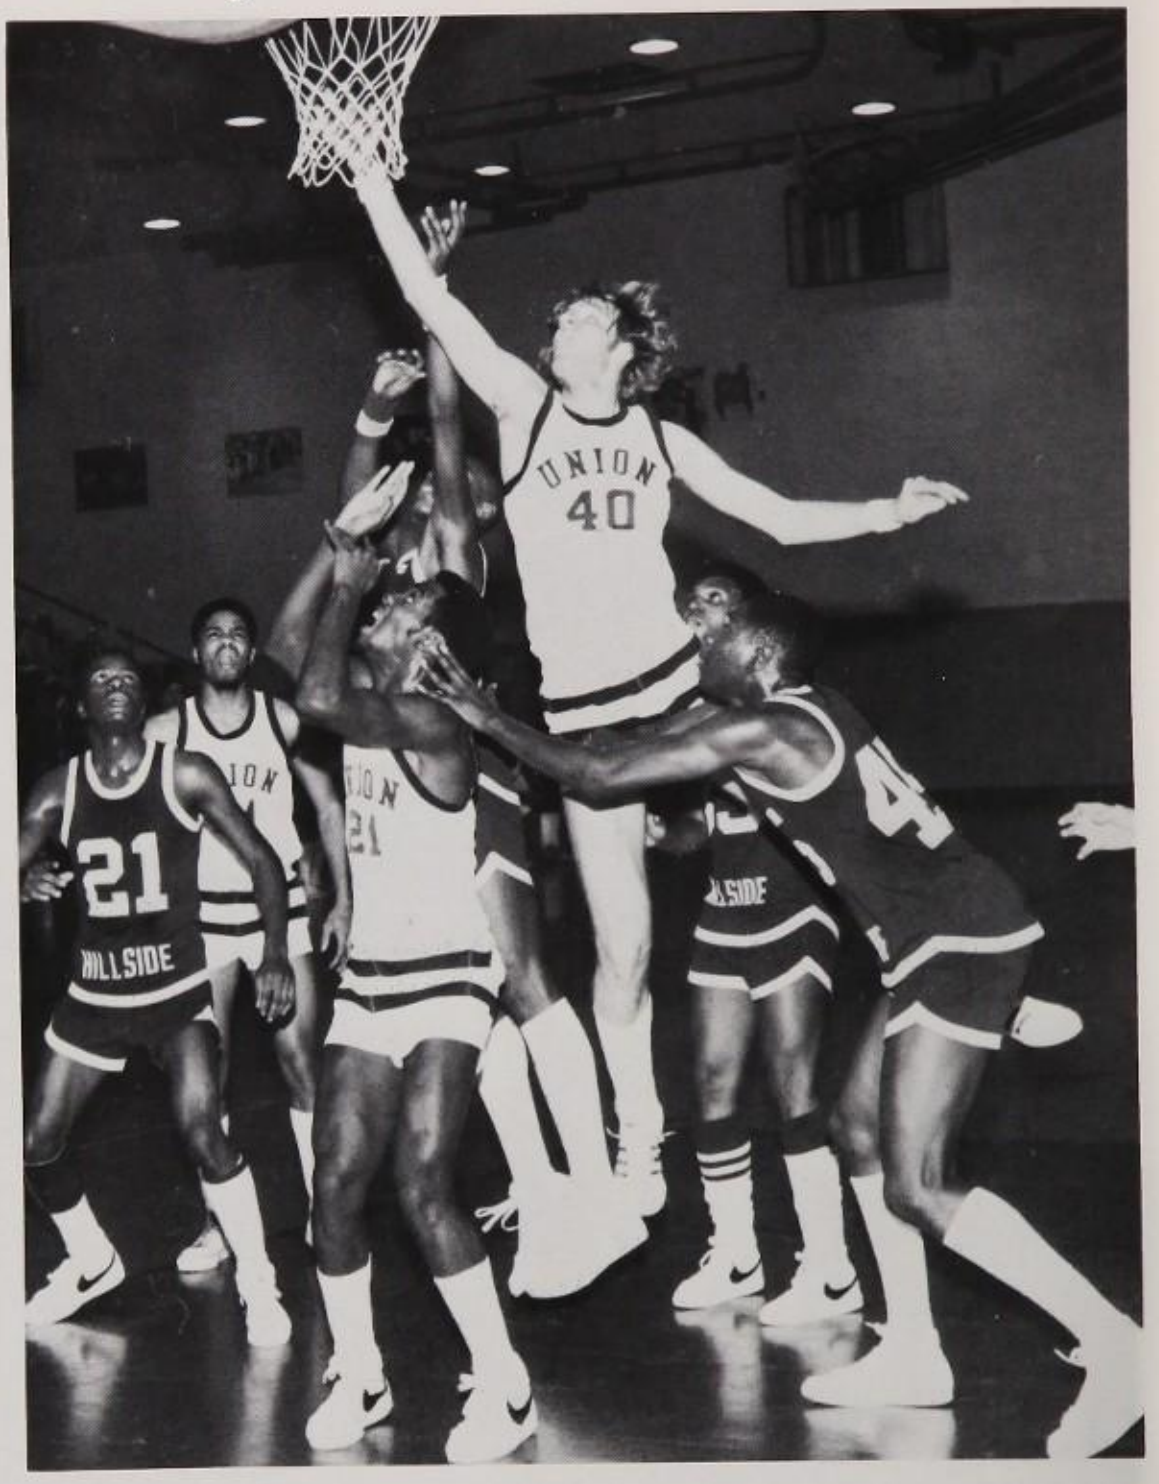


Cagers Take Two Major Championships

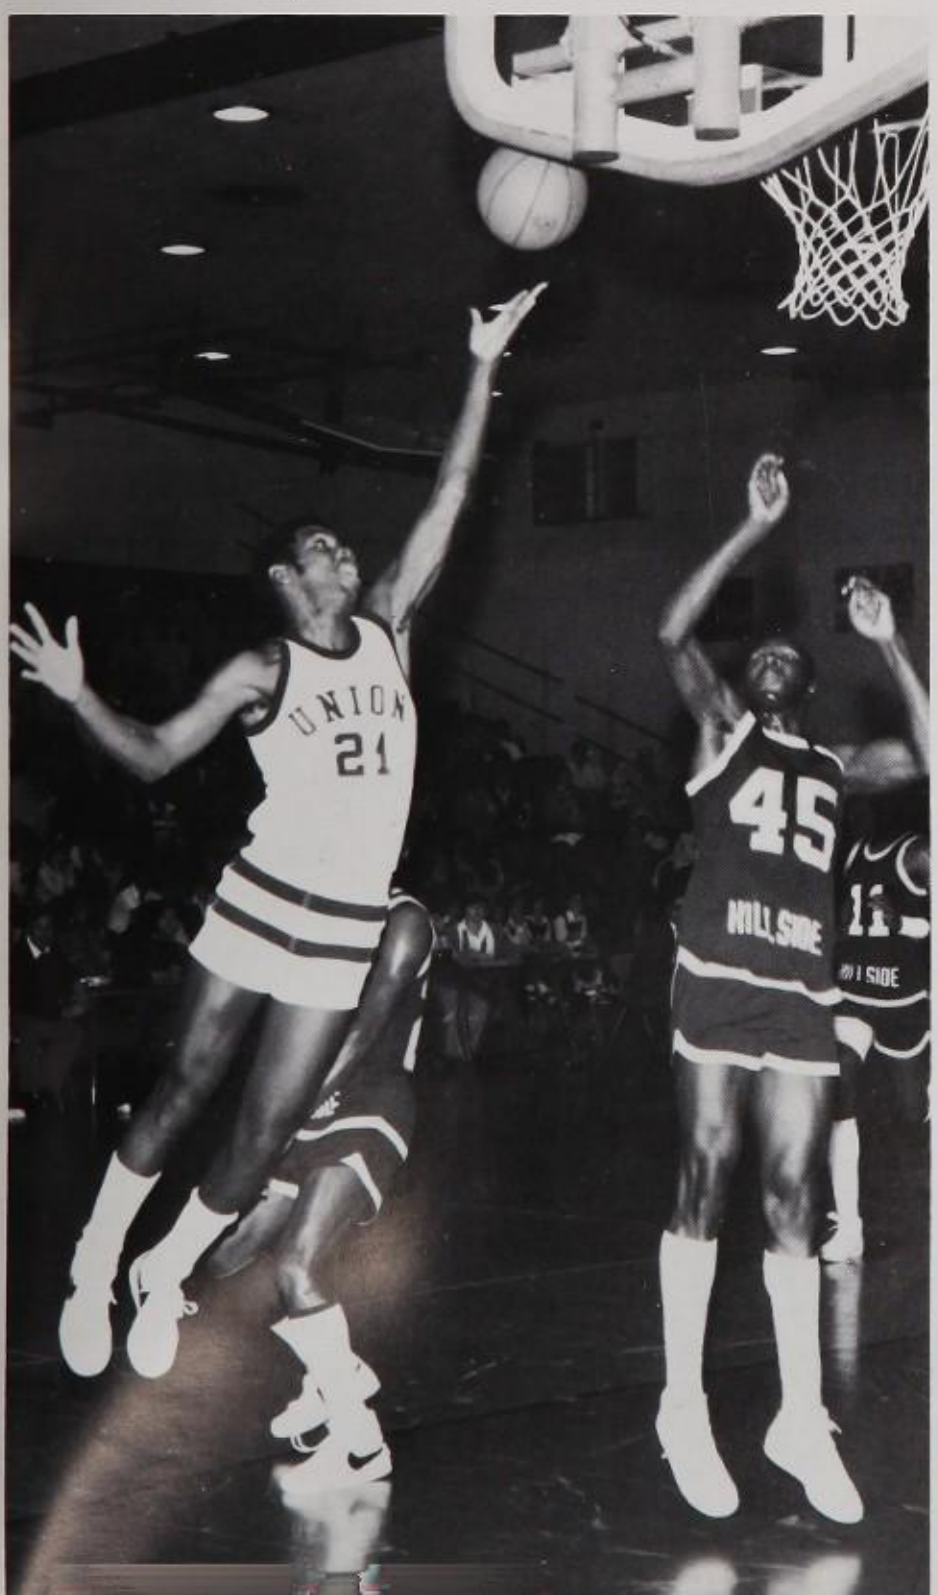
The Farmers were ranked 12th in the State this year. Led by the "big four" — Jim Jones, Clayton Terry, Mike Sigl, and Rich Moore — and Juniors, Brian Horton and Mike Gardner, the Farmers won 20 games, including two major championships. The team won the Group IV, North Jersey, Sectional Championship and advanced to the Group IV State finals, for the first time, before bowing to Camden by a score of 67-61 at Rutgers University.

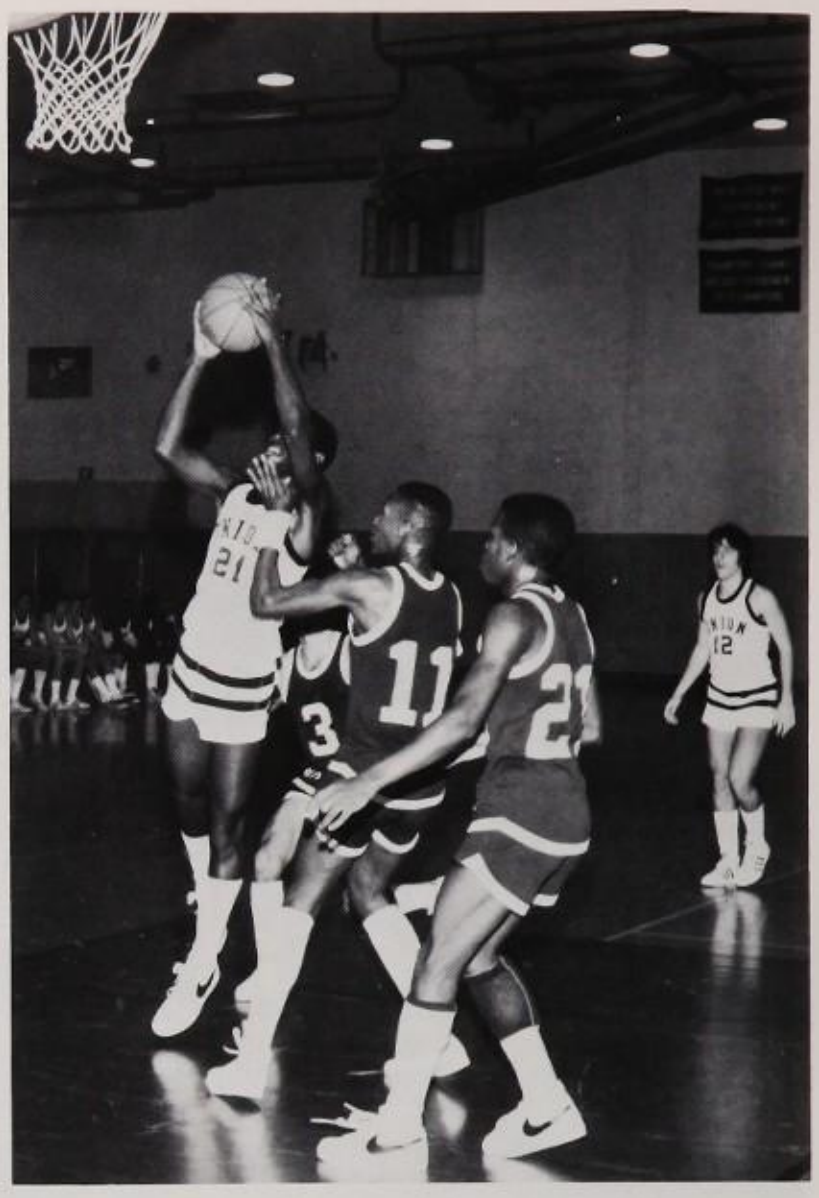
The 1978-79 team, for the 4th time in 6 years, romped into the Union County Tournament and had easy victories over Clark and Rahway before losing an exciting game, 72-64, to Linden. The Farmers concluded the year with a sweep of the Garden State Classic over Long Branch, 44-38.

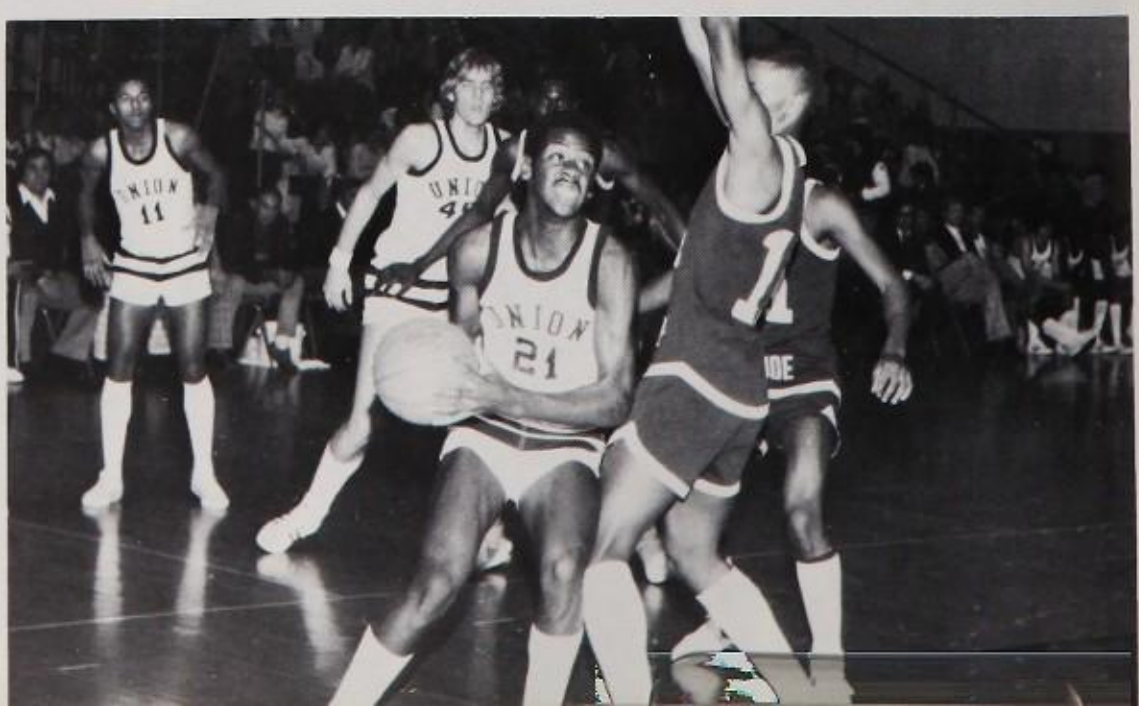
Richie Moore and Mike Sigl were named to several all star teams and Coach Fox was chosen Coach of the Year. A quote that will be long remembered is one by Mr. Fox — after the East Orange victory, the coach said, "We didn't have the fifteen greatest musicians, but we make great music together." Music we will long remember the Class of '79 by.



Front row (left to right): Tommy Shannon, Danny Blackwell, Chris Penk. 2nd row: Ricky Robertson, Jimmy Jones, Tyrone Mitchell, Bobby Hope, Clayton Terry. 3rd row: Mr. Pavlisko, Mr. Benedict, Eric Jorgenson, Brian Horton, Ed Sigl, Mike Sigl, Richie Moore, Danny Blackwell, Mr. Hazelton, Coach Tom Fox.







Riflery's Aim Scores a 19-1 Season

The 1978-79 season proved to be the most successful the Union shooters have ever experienced. The final 19 and 1 record included the second half of a consecutive win streak which went as far as 28 matches, setting a new school mark. The season also produced a league record for co-captain John Gaffga which amounted to three regular season perfect scores of 100.

Shortly after the team had been chosen a match took place between NJIT college and Union with the victory going to Union by a scant one point out of 1000.

Finally, the season was ended with the annual State Championship match held March 3 at the Wayne PAL range. Union again placed behind Caldwell and just ahead of Nutley finishing second in this statewide event with a score of 963x1000. Union posted a 1990x2000 score after 4 months of competition.

THE STUDENT COUNCIL

The Student Council is a vital part of Union High School. Its various organizations give the students an opportunity to express their ideas. Through many activities, both fund raising and service, the Council has succeeded in promoting school spirit throughout the school.

The Council is the heart of the student body. As the heart is the lifeline of the body, so is the Council the lifeline of the Student Body — both must co-exist and work together in order to be a functioning unit.

As a student government organization, the Student Council aids the administration in keeping a smooth running school. When there is a Council to work with the Administration, the entire school benefits.

Student Advisory

The Student Advisory Committee is a group of students who meet monthly with the administration to discuss concerns about community and school affairs. The group consists of students from the high school and junior highs and administrators. The group has made a lot of progress in its four years of existence.

Ecology Club

The Ecology Club, which participates in a wide range of activities during the year, is one of the most active service clubs in the school. This past school year saw members erecting park benches in the courtyard. The club collects newspapers, aluminum cans and cancelled stamps, and hopes to beautify the center courtyard. Petitions concerning nuclear power and the killing of whales have been circulated. The ecology club hopes to make the students aware of the value of the environment.

Honor Society

The National Honor Society is a very prestigious club. There are, however, certain qualifications that one has to meet. Only when one becomes a junior can he join. The candidate also has to be an honor roll student and a member of five clubs. One has to hold an office in one club in order to demonstrate leadership and also has to play an active role in a service organization. But the Honor Society does have some activity. It receives various speakers throughout the year, it has a very pleasant induction ceremony in March and in the spring the Society takes a field trip.

In Memoriam

Nancy Ann Neher

Remembering all the laughter
All the beauty, all the sunshine
You gave us will make us
Live with the realities of life.
We will seek happiness
not only for ourselves, but also for you.
We want to know
That you are up there smiling
at all you see.
We will continue to do our best,
For we know it is the only way
You would have things done.
We'll live and learn
And bring peace to all we come in contact with.
We know you are peacefully resting,
Watching over us,
Hoping we all do well throughout the rest
Of our lives.
You brought a glow to the lives of others,
and we intend to keep the fire going
So that all those around
Will warm up in the love we hold for you.
Your friends love you, Nants;
We will live for you now and always.
We wish you peace
In the faraway places you may travel.
If it rains or snows,
May you be safe and warm;
If you need someone sometime
You can be sure we'll always be here.
You can count on us;
For ever we will be
Close to you.

— Patti Cole '80

Remember Yesterday

So many people have passed this way,
But it seems a shame to go.
Alone in a world so strange to me,
Afraid — yet I know
There's so many places yet to see.
So many people to know,
So many times yet to spend
With those we barely know.
Guys and girls though once in love,
Have gone their separate ways,
Things have changed so quickly,
Now we have good-byes to say.
Time, we thought, would just stand still
But here we are today.
Looking back on what has been —
Remembering yesterdays.
The time has come,
We're moving on.
We must be on our way.
Tomorrow's for the future
But Remember Yesterday.

— Karen Yaeger '79

Remember when warm winds
meant the coming of summer?
Our fear of lightning
The awe of thunder.

The dawning light arrives
and changes the world
into a new day.
You bring in the paper
and send the kids to play.

Remember the times when we were younger —
the sky seemed bluer
the houses were newer.
Our ideas were silly
the problems were fewer.

We stood on a rock
and saw the world around us.
When life was a game
seen through innocent eyes.
When growing up
meant getting bigger in size.

Then all of the sudden
tonka trucks turned into motor bikes
and jump ropes fell for staying out nights

The meaning of college was suddenly clear.
The signing of yearbooks.
The end of a school year.

So now we're going out on our own
but you are my neighbor, my friend
you are my brother.
We have changed together
Let's remember each other.

— Julie Schweikert '79

Once Again

The time to begin again
Is getting closer
And here we are —
All just wondering
And feeling afraid of what is to come.
We all want to relive
Our "crazy" times
So we won't have to face
Growing up as fast as we are.
We're all in this together, you know —
We're all afraid
In one way or another.
Time is getting shorter.
Even though sometimes it seems
Like it's standing still.
Think back to all the people you've met,
And bring back all those
Meaningful memories that you've shared.
But one thing I want you all to know is
The good and the bad just seem
To fade away.
And soon it will be our
Time to move on once again.

— Diane Miller '79

Now I leave,
to travel new lands,
to discover maybe what no one else has.
Now I leave,
to make new friends,
to begin a new life
to hopefully fulfill my goals
to become,
to achieve.
Now I leave,
but wherever I go
memories will stay with me,
and will live
as long as
I.

— Stacey Krusch '79

Each Day

How often we wish for another chance to make a fresh beginning,
A chance to blot out our mistakes and change failure into winning.
It does not take a special time to make a brand new start,
It only takes the deep desire to try with our hearts —
To live a little better and to always be forgiving
And to add a little sunshine to the world in which we're living.
So never give up in despair Class of '79 and think that you are through
For there's always a tomorrow and a chance to start anew

— Jewel Patrice Pierre '79
